1.2 Community Representatives within a 5-kilometer radius of the project

- |  |          |
|--|----------|
| (1) Community Representatives of Nong Suea Chang Subdistrict | Director |
| 2 Persons  |          |
| (2) Community Representatives of Khao Sok Subdistrict        | Director |
| 2 Persons  |          |
| (3) Community Representatives of Khlong Kio Subdistrict      | Director |
| 2 Persons  |          |
| (4) Community Representatives of Khao Khan Song Subdistrict  | Director |
| 2 Persons  |          |
| (5) Community Representatives of Nong Rai Subdistrict        | Director |
| 2 Persons  |          |

(6) Community Representatives of Tasit Subdistrict	Director
2 Persons	
1.3 Project Representatives	
(1) Community Affairs Manager	Director
WHA Eastern Seaboard Industrial Estate Company Limited	
(2) Operations and Maintenance Manager	Director
WHA Eastern Seaboard Industrial Estate Company Limited	

The term of office for the Committee is 4 years, and no more than two consecutive terms may be served. In the first term of office, the Committee shall convene a meeting to elect the Chairman, Vice Chairman and Secretary of the Committee.

## 2. Duties and Authorities

- 2.1 Educate and organize trainings for the community to recognize and understand about environmental pollution from project activities and communicate to the community for acknowledgment and understanding of how to observe abnormalities in environmental quality from project activities and the reporting process to respond promptly to abnormalities
- 2.2 Conduct project visits to comprehend the environmental quality measurement process and its results to demonstrate transparency in the project's environmental management
- 2.3 Analyze the trends in the environment quality situation surrounding the project
- 2.4 Participate in consultation and determination of guidelines for the prevention and resolution of environmental and health-related issues
- 2.5 Resolve conflicts and disputes and consider compensation in terms of examination, timing, and forms of compensation in addition to what prescribed by the law if it can be demonstrated that the project caused harm to life and property, including crops, animals, or other property
- 2.6 Evaluate the efficacy of environmental and health impact monitoring at least once a year to ensure that working styles and procedures are suitable for varying yearly scenarios
- 2.7 Provide guidance, recommend guidelines, and coordinate with the community, as well as communicate project information to the community surrounding the project
- 2.8 Participate in consultations, including the exchange of information, to monitor the implementation and resolving issues between the project, the community, and agencies for efficiency and achievement
- 2.9 Contribute to the community and social development projects for the communities surrounding the project site and offer suggestions for enhancing the project so that it is appropriate in terms of economy, society, environment, and community health
- 2.10 Examine the complaint handling process in previous projects and provide comments and suggestions to improve the management of complaints

2.11The Committee may appoint a person or group of persons to carry out ad hoc operations necessitated by the project's development.

This shall, thus, become effective henceforth.

Ordered on 22 March 2022
